Correspondence ending with memo No 3844/E dated 20/12/1944 from the Chief Engineer for Irrigation Re: Mr. K. Alasingracharu, Bill Collector, Lansdowne Buildings, Mysore.

The qualifications of Mr. Alasingracharu are that he has completed the University Entrance Course and has qualified himself by undergoing the examination for the Typewriting Intermediate Grade. It is reported that he was appointed in 1929 as Bill Collector for Lansdowne Building, Mysore, in the Grade of Rs 25-1-30. He has been drawing the maximum of Rs 30/- since 1935. On account of scarcity of suitable candidates for appointment in the Clerical service of the P.W.D., the Chief Engineer requests sanction to Mr. Alasingracharu being absorbed as Clerk, Class II, in a general vacancy in the P.W. Dept. The Public Services Commissioner may be consulted -

Sir,

Re:- Mr. K. Alasingrachar, Bill Collector, Lansdowne Buildings, Mysore.

.....

I have the honour to state that Mr.K.Alsingrachar, who has undergone the University Entrance Course and has also qualified himself in Typewriting Intermediate grade, has been working as a Bill Collector in grade Rs.25-1-30 from 11-9-1929. He has been drawing Rs.30/- being the maximum of the grade since 1-8-1935. In view of his stagnation on this pay for over 9 years, his qualifications and the long and satisfactory work rendered by him, the Superintending Engineer, Mysore Circle, proposed that Mr.Alsingrachar may be absorbed as a clerk in the Public Works Department.

2. Under these circumstances and in consideration of the fact that there is great scarcity to procure candidates with suitable qualifications for appointment on account of the attractive service conditions prevailing in Military and other Industrial Concerns, I recommend that the case of the applicant be sympathetically considered, and orders of Government obtained and communicated to absorb Mr.K. Alsingrachar, Bill Collector of Lansdowne Buildings, Mysore as a clerk - Class II, against a general vacancy in the Public Works Department.

Bangalore.

Sir,

Subject:- Absorption of Temporary Maistries as Clerks.

With reference to your letter No.P.W.4681 dated the 19th February 1945, directing that it is not desirable to add any more names to the list of Temporary Maistries whose absorption as Clerks has been approved by Government, till the list is exhausted, I have the honour to state that all the hands included in the approved list have been absorbed as Clerks in the Department in alternate general vacancies.

2. In issuing Order No.P.W.2501-4 dated the 26th September 1942, Government were pleased to recognise the necessity to show special - concessionary treatment in respect of certain Temporary Maistries who had put in long service in the Department and possessed the minimum educational qualifications, and accordingly conveyed approval, among other things, to their absorption as Clerks in the Department under - certain conditions.

3. Now that the list of Temporary Maistries, whose absorption was approved, has been exhausted, I enclose herein a supplementary list of Temporary Maistries, and recommend that the approval of Government may kindly be obtained and communicated for their absorption as Clerks in the Department in Class II alternate general vacancies.

4. While preparing the list, only names of such hands who are below 35 years of age, and have put in more than 5 years continuous service in the Department, and have good record of efficiency and possess the required minimum qualifications and whose cases richly deserve sympath and favourable consideration only are included.

5. In view of their long service in the Department and the experience gained thereby, and in the several circumstances mentioned above, I strongly commend their case for special consideration of Government and favourable orders.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/23rd. Chief Engineer for Irrigation.
